

Red Blooded (Jessica McClain)

Jessica is going to Hell.

After settling a fragile truce between the **vampires, werewolves** and **witches**, the last thing Jessica wants to do is face the demons head-on. But when the **Prince of Hell** kidnapped her brother, he set into motion a chain of events that even Jessica doesn't have the power to stop.

Now Jessica must go into battle again. But Hell is a whole new **beast**—new rules, more dangerous **demons**, and an entirely foreign realm. And when Jessica is dropped into the **Underworld** too soon, without protection or the help of her friends, she must figure out just how powerful she can be... or she will never make it out alive.
